

V series

Bluguard V9

With Bluguard,
You're Always Home

"Security with **VOICE NOTIFICATION** report"

Get more info

V Series is enhanced with state of art voice feedback to ensure you and your loved one lived in total comfort and safety.

With V series, there is no more confusing beeps, buzzes and multiple tones to remember. The innovative voice notification will report on the status on each zone. For instance, when you press a button to disarm the main gate which has been preset as Zone 1, the speaker of the control panel will announce

" Zone 1 disarm "

Even while you are away, managing the control and updates of the status of your home is just a phone call away. Simply dial a dedicated number which connects you to your home's control panel and interacts with to the voice feedback.
