

**ALWAYS**  
BY YOUR SIDE

**D+CONNECT**

**DAB**  
WATER • TECHNOLOGY

Dab is world leader in the design and production of water movement systems. For over 40 years, it has been developing simple and reliable solutions for the management of our most precious resource.

Thanks to this experience, the constant technological innovation and the capability to put the customer at the centre of everything that we do, Dab can today offer a new service.

The most simple solution to add value to your work.

**D**  **CONNECT**

***SOON ONLINE ...AND ALWAYS BY YOUR SIDE!***

### **WITH D.CONNECT YOU CAN:**

- MONITOR YOUR INSTALLATIONS
- RECEIVE REAL TIME ALERTS
- ACT PROMPTLY FROM REMOTE
- MANAGE EMERGENCIES QUICKLY
- SCHEDULING MAINTENANCE

### **WHEN?**

- 24/7

...in the morning

The day starts in the best possible way together with **D+CONNECT**  
Thanks to the possibility of monitoring the operating parameters of all your installations,  
you can manage their maintenance more efficiently.  
D.Connect offers the possibility of set up the parameters remotely, ensuring maximum  
control...even from your home.

...during the day

**D+CONNECT** follows you during the whole day, always helping to take the right decision.

Your assistance, based on structured information, will be more prompt and precise.

You will be able to know what your customers need before them, therefore delivering a more efficient service.

...in the evening

60176555 - 03/2016

Any time really means 24/7.

**D+** CONNECT will be at your side even when watching a football match!
