Glacier Wear™

Glacier Wear™ safety clothing provides a unique combination of cut resistance and comfort. So unique, it's patented. Strategically positioned Kevlar® mesh fabric provides a cool venting effect and cut resistance. No metal on the product eliminates scratching. Custom designed to your specification or use our popular standard designs. Glacier Wear™ is available as a jacket, cape sleeve, surgical style coat, bib apron, or sleeve. Glacier Wear™ is an economical alternative to eyelet-studded products.

Split Leg Apron and Ball Cap

550-KTW-40-SP

100% Kevlar® twill split leg apron with replaceable belly patch. Adjustable Velcro® leg and webbing neck and waist straps provides a "one size fits most" apron. Available in 40", 48", 52" and 56" lengths.

646-KTW

100% Kevlar® twill baseball cap available with or without back "legionnaire style" flap.
