

Safe cleaning with FALCON spray cans

FALCON spray cans allow measured spraying and simple cleaning of contaminated surfaces.

FALCON spray cans

- Economical and controlled spraying of surfaces and parts to be cleaned
- Ergonomic plastic spray cap includes screw-on extension with adjustable nozzle
- Integral plastic pump
- Highly resistant to many cleaning agents
- High-quality container made of stainless steel or galvanized steel, powder-coated in safety-yellow

All containers are supplied with multiple-language safety labels to mark the contents, with danger symbols according to GHS
