Recyclable material containers, 45 to 120 litres

Recyclable material container for industry, retail outlets and busy public places

- Fire and odour inhibiting
- Non-flammable, self-extinguishing (tested by TÜV / GS)
- Foot-operated with galvanised inner BIN
- The easy to operate foot pedal ensures both your hands are free and avoids having to touch the flap
- Ergonomic folding handle for comfortable emptying of the sturdy inner container
- Reinforced wing door with sturdy stainless steel handle and magnetic closure, additionally fitted with a square lock as standard
- With galvanised inner container
- 2 levelling feet at the front
- 4 different coloured, self adhesive pads for waste sorting are supplied

Flap with gas damper for silent closure; the rounded top part prevents waste from falling on the container.

from £ 212.00

For marking waste sorting options, the recyclable material containers come with a set of self adhesive pads in 4 colours

Sturdy foot pedal in stainless steel

Recyclable material container, manual operation with galvanised inner bin
