**Superb Savings and Page Yield**

Highly affordable ink bottles cost just \$9.90 each. Printer is bundled with 5 bottles of Epson Ink that yield up to 7,100 pages (black)\*.

**Designed for High Productivity**

Advanced printhead designed to achieve fast print speed of up to 15ipm (black).

\*Refer to specifications.

**INK TANK SYSTEM PRINTER**  
**L1300**

The Epson L1300 is the world's first 4-colour, A3+ original ink tank system printer, bringing ultra affordability to high quality A3 document printing in a big way. Corporate and commercial users alike will appreciate its class leading performance in the printing of materials like A3+ business reports, event layouts, floor plans and CAD drawings with superb efficiency, reliability and very low cost per page.

## Prints Up to A3+

With the L1300, you have the option to print larger documents up to A3+ size. This opens up possibilities for superior presentations of detailed CAD drawings, floor plans, business reports and charts that go beyond the ability of typical A4 printers.

## Superb Savings and Page Yield

High capacity integrated ink tanks and highly affordable genuine ink bottles at just S\$9.90 each add up to greater savings. With a bundled starter kit of 5 bottles of Epson Ink, the L1300 yields up to 7,100 pages (black)\*.

\*Quoted yields are extrapolated based on Epson original methodology from the print simulation of Test Patterns provided in ISO/IEC 24712. Quoted yields are NOT based on ISO/IEC 24711. Actual yields may vary depending on manner of usage and print pattern. 7100 pages is based on yield from two black ink bottles.

## Designed for High Productivity

The L1300 features an advanced printhead to achieve fast print speeds of up to 15ipm (black).

## Super Reliability and Print Quality

Designed for continuous printing performance, Epson's renowned Micro Piezo™ printhead is not only highly reliable in operation, it also delivers an astoundingly high resolution of 5760dpi. When paired with genuine Epson formulated inks, the L1300 delivers exceptionally high quality prints for all your business and creative needs.

## Media Flexibility

The L1300 comes with a rear-feed tray that accepts a wide variety of printing media, including thick paper, photo paper, envelopes, labels and more that allows you to accomplish all manner of printing jobs with ease.

## 2-Year Warranty for Peace of Mind

Enjoy warranty coverage of two years or 30,000 prints, whichever comes first, for maximum value from your printer and freedom from maintenance worries.

## Hassle-free Operation

Epson's original ink tank system is designed for smooth, no-mess operation in corporate and SOHO environments.

Specially fitted tubes ensure reliable ink flow without leakage

Smart tip design for easy, mess-free refills

## Quality That Shines. Value That Lasts.

Epson genuine ink bottles are individually sealed to ensure the purity of its contents and formulated to deliver outstanding high-volume print quality with L-Series printers. Choose Epson genuine ink bottles to enjoy lasting quality with your L-Series printer and low printing costs.

<b>MODEL NUMBER</b>	<b>L1300</b>

**Dimensions & Weight**

**L1300**  
**Weight:** 12.2kg (26.9lb)

<sup>1</sup> Print speed (Pages Per Minute) is calculated when printed on A4 plain paper in the fastest mode. Print speed may vary depending on system configuration, print mode, document complexity, software, type of paper used and connectivity. Print speed does not include processing time on host computer.

<sup>2</sup> When printed on Epson Premium Glossy Photo Paper.

<sup>3</sup> Quoted yields are extrapolated based on Epson original methodology from the print simulation of Test Patterns provided in ISO/IEC 24712. Quoted yields are NOT based on ISO/IEC 24711. Actual yields may vary depending on manner of usage and print pattern. 7,100 pages is based on yield from two black ink bottles.
