

GL01-HD – HD-Video Ground-Loop Isolator

Features

- Suitable for AHD, TVI & Analog
- Passive, no power required
- Remove image interference cause by differential ground
- Miniature – easy installation
- Surge Protection: 6kV

Connection Diagram

Dimension

- Insertion Loss : 0.5dB
- Surge Protection : L3, IEC61000-4-5
- Operating Temperature / Humidity : -10°~55°C / 0~95%
- Dimension : 41x24.5x21.6mm
- Case : ABS Plastic
- Weight : 51g
