# INNO

➔ A name of quality and pleasing design

INNO and SERICITE are a brand leader and a synonymous names in bathroom well being. Our sanitary wares create a healthy and comfort lifestyle to end user. The wide range of products and colours available offers a good choice and selection to all categories of users. Our full range of highly glossy and smooth colour wares brings harmonious to bathroom design through the matching and selections of the colours which create a fashionable space and help you to enjoy a comfort lifestyle.

We create lasting value for all our products through stringent quality control from raw materials to finished goods. This ensures our products are consistently reliable when it comes to durability, value, hygiene and easy maintenance.

Our water closets are superior in flushing action and no clogging. It makes use of the combination of an extra large 3 inches flushing valve and a 2 inches big trap way to realize highly efficient flushing action. It also creates a unique environment protection and high water savings products using only 4.0 litres for flushing efficiency as compared with the normal 6 litres.

Our one piece toilet bowls are our top premier products where we are the only manufacturer in Malaysia who is competent for mass production. It is a real one piece toilet bowl and cistern with no joint and using highly integrated casting technology.

All the sanitary wares are designed and manufactured by our own plant at Air Hitam, Johor (As a wholly made by our own sanitary ware manufacturer), that is truly 100% BUATAN MALAYSIA. We take initiative to create top quality sanitary wares at affordable prices for customers as our own duty. We devote ourselves to integrate the advanced technology and human care into product design and manufacturing processes.

Our products are marketed through INNOCERA MARKETING SDN BHD, the marketing company is the only one in Malaysia who has own fleet of lorries to deliver our products up to our customers doorstep. The fleet of lorries covering the whole of peninsular Malaysia are an added advantage for the company as it can ensure timely delivery schedule and services to our valued clients.

Product Innovation and Quality recognition.

The dedication and commitment to endlessly pursue our ultimate goal of creating SATISFIED CUSTOMERS through superior production quality, excellent customer services and product innovation have paved the way for the company to be awarded;

Winner of The Kitchen + Bathroom Recognition Award 2011 (Design Excellence & Best Bathroom)

- Winner of 6th Asia Pacific Super Excellent Brand 2010 (Product Excellent Award Category)
