Drizzle

Condensate Drain Cleaner

- Removes and prevents the development of algae, mucilage, silt, and mould.
- Prevents air conditioner's condensate drain from clogging.
- Ready to use.
- New design: swan neck spout to simplify the application process.

Drizzle: liquid formulation. Lavender scented.

Drizzle Gel: gel formulation to perfectly adhere to the air conditioner drain line. Aloe scented.

Drizzle Enzi: the enzymatic formulation in gel ensures a long-lasting cleaning and unblocking action. Eco-friendly formulation to ensure deeper cleaning with less chemical. Aloe scented.
