## Advanced night view helps guard you while you sleep

Don't wake up your loved ones when you crack open their doors to check on them. Watch over from your phone with 30 ft of night vision. You'll have peace of mind, and they will have a good night's sleep.

## Privacy Mode and Local Storage Ensure Privacy

A microSD card stores up to 128 GB, equal to 384 hours (16 days) of footage. This allows you to not only cut down on your personal expenses on cloud storage, but also feel secure that your video is stored at a high-rate speed on a local card accessible only by the device administrator. (Based on laboratory conditions)

Up to 128 GB  
(microSD Card is not included)

## High-definition video

1080p definition video provides more clarity and sharpness in pictures due to a higher number of pixels. This helps with identification and recognition from afar.

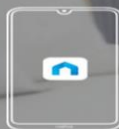

## Live view and two-way audio

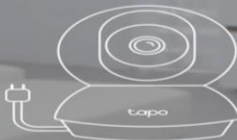

With the Tapo C200, you can see what exactly happens in your home, no worry any more. Also, you are able to communicate with loved ones through

## Easy Setup with Tapo app

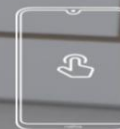

Follow the guidance and finish setup within several minutes

1 Download the Tapo app

2 Turn on your camera and plug it in

3 Follow the guidance in the app
