INTRODUCTION

ABOUT US

Time Marine Safety Services Sdn Bhd incorporated in February 2017 with the intention to venture into Inspection, Maintenance and Servicing of Life Saving Appliance (LSA) and Fire Fighting Appliance.

Our Service Station (4056sq.ft) is based in Johor Bahru, Malaysia is well equipped to service and handle up to 5-unit 25pax life raft at once thus enabling us to maximize servicing period. Due to the ongoing demand in the industry, we are well prepared to venture and establish ourselves as a complete Service Provider in the maritime industry.

Time Marine Safety Services is managed by a group of well trained and experienced personnel whom have attended manufacturer's training program and equipment maintenance program. It is our top priority to provide highest quality standard to enhance ultimate customer satisfaction. Our company also ensure the safety and efficiency prompt service in satisfying our client.

OUR STORY

VISION	MISSION
<ul style="list-style-type: none"> • We aspire to provide quality products and services, showing high level of professionalism to our customers. • To boost the capacity and competency of the organization in maintaining engineering services. • To provide high quality services and preferably service provider in marine offshore industries. 	<p>To be acknowledge globally in life boat, life raft, load checking, firefighting equipment and lifesaving equipment.</p>
POLICY	
<p>Time Marine Safety Services established, reviewed and maintained a policy that is appropriated to the purpose, risk and context of the organization and support its strategic direction. The policy attests our commitment to satisfy our client satisfaction, prevent hazard and risks that will affect health and safety.</p>

**CERTIFICATE OF
Recognized Service Supplier**

This is to certify that

TIME MARINE SAFETY SERVICES SDN BHD
located at
10 JALAN KEMPAS 2/1, TAMAN TANAH TAMPOI, 81200 JOHOR BAHRU,
JOHOR, MALAYSIA

having been audited by ABS and having given a satisfactory practical demonstration of the service listed below, is recognized by ABS as a Service Supplier to provide services which ABS Surveyors may rely on to make decisions affecting classification or statutory surveys.

Fire Extinguishing Systems Inspection/Maintenance

Attached Certificate Appendix provides specific scope of approval, authorized personnel, manufacturer authorizations, and subcontractors.

It is the responsibility of the Service Supplier to employ, train and qualify persons in the service provided. If the service requires approval from manufacturers, the Service Supplier is responsible to maintain contact with the manufacturer and maintain any service manuals up to date. Where required by the category of service, the Service Supplier shall provide valid evidence that it is authorized or licensed by the equipment manufacturer to service the makes and models of equipment for which approval is sought. If approval from the manufacturer is not attained, a surveyor must be present at time of survey to continue work. Alternatively, current written instructions from the flag state are to be obtained to continue work without the surveyor present. Service Suppliers must present photo identification, evidence of qualification and authorizations from manufacturers, as applicable, at the time of service.

The ABS office issuing this certificate is to be kept updated with changes to the management of the company, employees, equipment and models on the authorization list and any changes made.
