TA200 Plus Fingerprint Color Time Attendance

FingerTec TA200 Plus is an astounding hi-tech fingerprint time attendance device with impressive design. Geared with an exceptional storage capacity and equipped with an accurate fingerprint scanning algorithm, TA200 Plus gives you amazing and convenient features such as work codes and short message display for either personal or public recipients for effective staff communication. The terminal also comes convenient with multiple options for you to sync your devices to the bundled software, FingerTec TCMS V3 for further processing of attendance data to ease report generating and payroll processes.

Multiple Verification Methods

From fingerprint to card and password verification, TA200 Plus provides the possibilities. Optimize your security threshold, with fingerprint verification as your primary enrolment form.

Workcodes

Let your staff experience more independence by reporting their whereabouts via our workcodes feature.

Cloud-Ready Technology

TA200 Plus comes with the latest PUSH technology, suitable for FCC data storage and convenient for TimeTec TA. The technology eliminates the need for manual data download process.

Data Management Simplified

FingerTec TA200 Plus is equipped with TCP/IP connectivity and when that is not available, a USB flash port can be used to transfer transaction logs into your computer.

Manage Data Easily

TCMS V3 is loaded with useful features complete with various reports for your business. Its data integration to 3rd party software is made available through the readily available SDK.

Short Message Display

Communicate with your employee by personalizing a short message to be displayed at the terminal when they verify. The message can be directed to an individual or to a group of staff.

Full Colour Screen

TA200 Plus comes with a full color TFT screen. It supports display of corporate advertisements, screen-savers and more.

Shortcut Keys

Program these keys to take you to the commonly used functions in just one step to provide you convenience.
